Re: ***A Leadership Development/Public Speaking Program For Middle and High School Students***

Parents and Teachers are requested to refer a maximum of twenty (20) students from their schools who are interested in developing their leadership and public speaking skills. This astute after-school program will be available for students during the winter and spring terms of the 2009 school year.

Based on the curriculum of one of the world's leading leadership development experts, **Dr. John C. Maxwell** ([www.maximumimpact.com](http://www.maximumimpact.com)), this program is an interactive exchange led by engaging trained leadership facilitators providing a chance for students to interact with other students leaders who are just as interested and intentional about their personal and professional growth.

Students who desire to participate are required to write a one page essay detailing why they want to be a part of the ***Investment Atlanta Leadership Development/Toastmaster International Program*** and how this experience will benefit them in the future.

**Students should complete the essay and send via email to [iai@investmentatlanta.org](mailto:iai@investmentatlanta.org) . Students will be contacted soon after regarding the program meeting date and site.
